Answers

1. Is the hotel open?

Yes, we are open and operating with a safety-first mindset. Our current procedures are designed in accordance with state and federal guidelines to promote safety and social distancing.

2. How will the hotel follow social distancing guidelines this summer?

To encourage social distancing and to provide an exceptional guest experience, we will be relying on new procedures that assist in controlling the volume and spacing of guests: (1) we will be limiting the hotel's overall occupancy throughout the summer, (2) we will have adequate spacing between tables and chairs of different parties, and (3) we will be taking reservations for our pool and hot tub area (see answer #5 below for more details regarding our pool and other recreation areas).

3. What hotel amenities are currently available?

The following hotel amenities are currently available for use by our hotel guests:

- Heated indoor pool & hot tub.
- Outdoor recreation area – cornhole, fire pits (4 total), duck pond, gazebos, outdoor seating around the pond, children's playground, and train.
- Picnic blankets (clean and sanitized) and outdoor games are available for sign out at the Front Desk.
- On-site dining service (see answer #8 below for more details regarding our on-site dining service).

4. What hotel amenities are not currently available?

The following hotel amenities are currently not available until further notice: fitness center and game room.

5. What are the procedures for the pools and other recreation areas?

Our indoor pool/hot tub is available to our hotel guests by reservation:

- Indoor Pool & Hot Tub - At check-in, you may reserve a time slot at the Front Desk. Each time slot is for 1 hr. 15 min., beginning at 8:00am through midnight daily. You may reserve one time slot each day, however you can add more time each day by filling in any unreserved time slots the day of. Following state and federal guidelines, we will be limiting the number of guests in the pool area per time block.
- Outdoor Recreation Areas - Outdoor recreation areas (gazebos, fire pits, and outdoor seating on the grounds) are on a first-come, first-served basis. Supplies to start fires in our fire pits is available at the Front Desk (bag of fire wood, fire starter block, and lighter) from 4pm-10pm daily. Guests will build and maintain their own fire.

Note for Indoor Pool Reservations: Guests may reserve time slots that start at or after check-in time (3:00pm) and that start at or before check-out time (11:00am). Throughout a guest's stay, they can inquire about other time slots that may be available throughout the day.

6. What are your cleaning protocols throughout the hotel, including guest rooms?

Although we have always had robust cleaning processes in our rooms, public spaces, kitchens, and other areas, and we use only hospital-grade disinfectants, we have revised our cleaning protocols to reflect industry-leading cleaning practices:

- All of our cleaning practices follow the latest in CDC disinfection guidelines;
- We have increased the frequency of cleaning in our public spaces, with increased frequency of disinfection of high-touch areas; and
- We have increased access to hand sanitizing stations throughout the hotel.

7. What is your housekeeping policy for a multiple-night stay?

For guests staying multiple nights, we currently have a no-room-access housekeeping policy – our team members will not enter a guest’s room to clean it. Instead, if a guest requests it, our team will deliver new bed linens, towels, and any other needed amenities in a bag that is left outside the guest room door. The guest can then put any dirty linens and towels in the bag and leave it and any trash bags outside the door for our team to collect.

8. What on-site dining options are available?

Lancaster is currently in the “green” reopening phase, and according to the state guidelines for this phase, we are offering indoor dining in dining areas at reduced capacity with socially distanced spacing between parties. Due to limited seating capacity, advance reservations are strongly encouraged.

Indoor dining is offered daily for breakfast (7:30–11:00am) and lunch/dinner/drinks (11:30am–8:00pm). To-go dining is also available during the same times.
