4. What are your cleaning protocols throughout the hotel, including guest rooms?

Although we have always had robust cleaning processes in our rooms, public spaces, kitchens, and other areas, and we use only hospital-grade disinfectants, we have revised our cleaning protocols to reflect industry-leading cleaning practices:

- All of our cleaning practices follow the latest in CDC disinfection guidelines;
- We have increased the frequency of cleaning in our public spaces, with increased frequency of disinfection of high-touch areas; and
- We have increased access to hand sanitizing stations throughout the hotel.

5. What is your housekeeping policy for a multiple-night stay?

For guests staying 1 or 2 nights, we currently have a no-contact housekeeping policy – our team members will not enter a guest’s room at all during their stay. Instead, upon request, our team will deliver new bed linens, towels, and any other needed amenities to the guest room door, or have it available for pick up at the Front Desk. We will also retrieve trash and dirty linens at the guest room door if requested. Guests staying 3+ nights may request a full stayover service on one morning of their choice if they wish. Guest’s must be out of the room while housekeeping is servicing your room.

Please note that the hotel reserves the right to enter your room to ensure its cleanliness and maintenance when necessary.

6. What on-site dining options are available?

We currently offer in-restaurant dining and take-out. Breakfast is served 7 days a week; however, Lunch, Dinner, and Tavern hours of operation are dictated by our occupancy levels. Please visit the [Restaurant & Tavern](#) section of our website for the most up-to-date menus and hours of operation.
